SUBJECT:

Agency Sponsorship at Local Colleges and Universities: 1976 Spring Semester

Agency employees requesting sponsorship for part-time academic training at local colleges or universities for the 1976 Spring Semester must have approval by the Office of Training prior to registration. Those who desire a tuition advance should comply with the following schedule.

19 December 1975, Friday: Form 136, Request for Training at Non-Agency Facility, is due in OTR, Room 936, Chamber of Commerce Building. Employees whose requests are received after 19 December will be reimbursed upon submission of a tuition receipt and Form 264, Request for Reimbursement. Reimbursements must be approved and certified by the Office of Training.

9 January 1976, Friday: Tuition advances will be disbursed in Room 1A-07 Headquarters between 1330 and 1500 hours. There will be no individual tuition advances issued after this date for parttime academic training except when strongly justified, and these must be endorsed by the Chief of Support of the sponsoring component. All other requests will be handled on a reimbursement basis. Accounting instructions will be given at that time.

To prevent delays, Training Officers should ensure that all items on the Form 136 required to justify approval are completed, e.g., objective, cover status, approving signatures, certification of funds, and entrance-on-duty date. Also indicate whether the employee is a graduate, undergraduate, or special student and, where applicable, resident or nonresident of State.
